

Dear Friend,

We invite you to join us for the 25th annual Congressional Award Invitational hosted by the Wyoming Congressional Award Council, a 501 (c)3 tax-exempt organization dedicated to helping the youth of Wyoming.

Teton Pines Country Club in Jackson is the site of this 36-hole tournament which begins Monday, August 7th and concludes Wednesday, August 9th, 2017. All proceeds benefit our program, allowing us to support and recognize young people who work to improve their communities and themselves.

The Wyoming Congressional Award Council looks forward to hosting this wonderful event. If you plan to participate, we encourage you to register today by visiting www.wcac.us for registration forms and additional information. We hope to see you there!

Congressional Award

The Congressional Award is a voluntary, non-competitive program open to all 14 to 23 year olds in the United States – regardless of prior or current achievement, life circumstances, or physical ability. It provides opportunities for young people to unleash their potential by achieving personal goals focused on character development, fitness, community involvement and volunteerism.

When young people involved in the Congressional Award program become aware of their potential and value within society, the benefits are remarkable. They develop compassion, a sense of responsibility and create a better environment in which to work and live. Participants commit themselves to service activities such as beautification projects, providing food for the homeless or mentoring children to make positive and lasting impacts in their communities.
